INSURANCE REGULATORY AND
DEVELOPMENT AUTHORITY

IRDA/CIR/ATI/060/DEC-04

December 31, 2004.

**TO ALL INSURERS;
ALL IN-CHARGES OF THE ACCREDITED AGENTS' TRAINING
INSTITUTES;
THE INSURANCE INSTITUTE OF INDIA;
THE INDIAN INSTITUTE OF BANKERS;**

Further to our Standard Instructions and Guidelines applicable for approval/renewal of Agents training institutes dated 1st October, 2004, we have placed the list of 1485 accredited Agents training institutes and 6 On-line Agents training institutes including in-house training institutes of the insurers on our web-site today and we will be up-dating the above list at regular intervals.

1. It is reiterated that the existing institutes who had been granted temporary accreditation shall cease to operate from today i.e. 31st December, 2004 and it will be the responsibility of the Insurance Company to check the validity of the accreditation including address before sponsoring any candidate for training. If the name of the training institute is not displayed on web-site, no insurer should sponsor candidates for training to such an institute. The accredited training institute will confine its activities only to the place/city for which it has been given the approval.
2. All the In-charges of the accredited Agents training Institutes whose names are appearing on our web-site are advised to strictly follow our guidelines and there should not be any deviation on any ground.
3. The Insurance Institute of India and the Indian Institute of Bankers should allow only those candidates from the insurers registered with us to appear in the examination who have been imparted training by the institutes placed on our web-site. This should be strictly followed both in case of off-line and on-line examinations. The Insurance Institute of India and the Indian Institute of Bankers should ensure that suitable instructions are given to all on-line and off-line examination centres to follow the above instructions strictly.
4. All the Institutes are advised to apply for renewal of the accreditation atleast two months in advance.
